In Provincial Congress June 15 1775

To the Hon^{ble} Gov^r & Council of the Colony of Rhode Island

Gentlemen

Considering the exposed State of the Frontiers of some of the Colonies, the Danger that the Inhabitants of Canada may possibly have disagreeable Apprehensions from the military Preparations making in several of the other Colonies, and the Rumours that there are some Appearances of their getting themselves in readines to act in a hostile Way. This Congress have made Application to the Hon^{ble} Continental Congress desiring them to take such Measures as to them shall appear proper to quiet & conciliate

Minds of the Canadians, and to prevent such alarming Apprehensions. We also have had the ^{most} disagreeable Accounts of Methods taken to fill the Minds of the Indian Tribes adjacent to these Colonies, with Sentiments very injurious to us, particularly we have been informed that Col^l Henry Johnson has taken great Pains with the Six Nations in order to bring them into a Belief, that it is design'd by the Colonies to ~~kill~~ fall upon them, and cut them off.

We have therefore desired the Hon^{ble} Continental Congress that they would with all convenient Speed use their Influence in guarding against the Evil intended by this malevolent Misrepresentation. And we desire you to join with us in such Application.

As Warren President
